3 About 3:14 p.m.

4 CHAIRMAN WHITE: Good afternoon to everyone.

5 AUDIENCE: Good afternoon.

6 CHAIRMAN WHITE: Good afternoon. I know the
7 sun is not shinning today, but it's still a good day,
8 so good afternoon to everyone.

9 AUDIENCE: Good afternoon.

10 CHAIRMAN WHITE: Okay, okay. Let me welcome
11 you to the Board of Police Commissioners Meeting dated
12 Thursday, May 31st, 2012. My name is Commissioner
13 Donnell White. I have the pleasure of serving as
14 Chairman for the Board of Police Commissioners.

15 Today I'm not joined with my colleagues, but
16 I am joined with Mr. George Anthony, Secretary to the
17 Board of Police Commissioners. I'll ask Mr. Secretary
18 if he could introduce our staff for the record.

19 MR. SECRETARY: Thank you, Mr. Chair. George
20 Anthony for the record. Present we have Ms. Celia
21 Banks Washington our Attorney to the Board, Lieutenant
22 Sizemore who is representing Dalph Watson from Police
23 Personnel, Lieutenant Timothy Leach who is the Acting
24 Chief Investigator at the Office of the Chief
25 Investigator, Mr. Robert Brown our Officer Manager

1 standing in the back, Sergeant Alan Quinn who is
2 recording our proceeding, and Ms. Elizabeth Koller from
3 Hanson Court Reporting Service. That completes the
4 introduction, sir.

5 CHAIRMAN WHITE: Thank you, Mr. Secretary. I
6 would like to note the presence of Deputy Chief
7 Benjamin Lee from the Office of the Chief. Thank you
8 for being with us today.

9 D.C. LEE: Good to be here.

10 CHAIRMAN WHITE: At this time we would ask if
11 Chaplain Reginald Best would come forward with our
12 invocation, please.

13 CHAPLAIN BEST: Let us pray. Father God in
14 Heaven, we approach your throne with goodness, grace,
15 and mercy. Dear Lord, we're asking a special prayer on
16 behalf of our City. Lord, we ask for a spirit of peace
17 and calmness within our City. Lord, we're asking for
18 prayers on behalf of our Chief of Police and our Board
19 of Commissioners.

20 Father, give them the wisdom that they need
21 in order to battle the enemy of violence in our City
22 right now. Father, we're asking a special blessing
23 upon this meetings that everything that will be done
24 will be done in way that will bring peace and harmony
25 into our great City.

1 Father, this is our prayer. In you son's
2 name, Jesus, we pray. Amen.

3 AUDIENCE: Amen.

4 CHAIRMAN WHITE: Thank you, Chaplin. At this
5 time due to the fact that we do not have a quorum we
6 will table the approval of our agenda today. We will
7 also table the approval of our minutes dated for
8 Thursday, May 24th, and we move onto our Officers
9 Report. There is no formal Chairperson's Report today.

10 And I'll ask for our Secretary's Report at
11 this time, Mr. Secretary.

12 MR. SECRETARY: Thank you, Mr. Chair. The
13 Secretary's Report regarding citizens complaints
14 received during the month of March 2012. The monthly
15 count of complaints for 2012, April there were 90 for
16 2012 and for 2011 that compares to 138, so there was a
17 35 percent decrease in complaints for April of 2012.

18 Year-to-date through the end of April, 422
19 complaints have been received compared to last year 479
20 complaints, a 12 percent decrease. At the end of
21 April 2012 the Office of the Chief Investigator had
22 open investigations 389, cases filed 422, cases closed
23 729.

24 Of the 90 cases filed 37 percent involved
25 unknown officers. The alleged known units involved

1 leading in complaints filed in April 2012 were the
2 Eastern District at nine percent, Northeastern District
3 at nine percent, 10th Precinct at seven percent, and
4 the Southwestern District at seven percent.

5 Of the 90 cases filed in April 2012, they
6 involve 136 allegations where the leading area of
7 concern were demeanor 30 percent, procedure 30 percent,
8 force 10 percent, and service 10 percent. That
9 concludes the Secretary's Report, sir.

10 CHAIRMAN WHITE: Thank you, Mr. Secretary.
11 At this time I believe we were prepared to have a
12 report from the Office of the Chief Investigator.
13 We'll have that report at this time.

14 LIEUTENANT LEACH: Good afternoon.
15 Lieutenant Leach, Office of the Chief Investigator. On
16 February 24th, 2012, there were 591 active cases, 348
17 over 90. We got into a consent judgement, a court
18 order to be able to work on our back log cases, so I'm
19 just giving an updated report. As of May 31st we went
20 from 591 active cases to 306, and from 348 cases over
21 90 to 115.

22 So this is letting you guys know that we're
23 really working diligently on our cases, working real
24 hard. And I'm just going to feed off of what the
25 Secretary of the Board just said as far as incoming

1 cases.

2 We received 132 cases in March, we received
3 90 cases in April, and an additional 108 cases in May,
4 which was 330 cases within three months. So for us to
5 have 591 cases in February, receive an additional 330
6 cases as of date and we have active cases 306, it shows
7 you that your investigators are on their jobs and doing
8 their jobs.

9 So I just wanted to commend the Office of the
10 Chief Investigator Investigators on the job well done
11 with the leadership of Ms. Washington and George
12 Anthony. Thank you.

13 COMMISSIONER WHITE: Lieutenant, if you
14 could, one question before you take your seat. So if
15 I'm reading this reported correctly as of May 31
16 there's still 115 cases in backlog?

17 LIEUTENANT LEACH: Exactly.

18 CHAIRMAN WHITE: What is our projected
19 timeline if we continue to move at this aggressive
20 pace? And again I applaud the Office of the Chief
21 Investigator for getting us to this point, but when
22 will we see a substantial reduction beyond this 115?

23 LIEUTENANT LEACH: June, we have it set up
24 for June 30th to be at 39 case in backlog and by
25 July 18 zero cases in backlog. One approach that we've

1 been doing is we've been having weekly meetings every
2 week with every investigator. So now the supervisors
3 know exactly where the investigators are within their
4 reports. Myself and Ms. Washington sit down every week
5 and go over the reports in detail. So by doing that we
6 can come to a conclusion of who needs to be
7 investigated and who should not be investigated.

8 So it's kind of a team effort and that's why
9 it's speeding up, along with assistance of the Chief of
10 Police who had us be able to receive six officers from,
11 you know, the personnel to be able to go and canvas and
12 run around and get paperwork and stuff for us. So as a
13 team effort it's been working real good.

14 So hopefully, I won't say hopefully, by
15 July 18th we'll have zero cases under 90.

16 CHAIRMAN WHITE: Okay. Thank you.

17 LIEUTENANT LEACH: Any other questions?

18 CHAIRMAN WHITE: No.

19 LIEUTENANT LEACH: Thank you.

20 CHAIRMAN WHITE: And, again, this Body
21 certainly thanks Lieutenant Leach for your leadership
22 serving in the capacity as Acting Chief Investigator is
23 helping us get to this point. And certainly the
24 leadership of Attorney to the Board, Ms. Celia Banks
25 Washington, and Secretary to the Board, Mr. George

1 Anthony.

2 I know it's been all hands on deck effort to
3 get us to this point. We're certainly appreciative of
4 the progress and I'm sure Judge Cook will be as well
5 when we arrive at the July date of zero cases in
6 backlog.

7 So please convey our accolades and our
8 commendations to our troops in the Office of the Chief
9 Investigator and urge them to continue to keep the nose
10 to the grind. So thank you again.

11 LIEUTENANT LEACH: Thank you.

12 CHAIRMAN WHITE: At this time we will have a
13 report from the Office of the Chief. Deputy Chief?

14 D.C. LEE: We have no report other than all
15 the staff, you can see I'm the only one here today, the
16 staff is coming back from Lansing for a meeting they
17 had there. I have Sergeant Brian Harris from my office
18 with me today. We have no report.

19 CHAIRMAN WHITE: Thank you, Deputy Chief.
20 There are no Standing Committee Reports before us or
21 New Business or Old Business. So under Announcements,
22 please be mindful the next Board of Police
23 Commissioners Meeting will be held Thursday, June 7th,
24 at 3:00 p.m. at the Central District, 7310 -- is that a
25 Tigers Game?

1 MR. SECRETARY: Yes.

2 CHAIRMAN WHITE: 3:00 p.m. at the Central
3 District to help accommodate with the parking since the
4 Tigers will have a home game that day during that time
5 period. So be mindful the next meeting will be
6 3:00 p.m., June 7th at Central District which is
7 located at 7310 Woodward Avenue.

8 At this time in our meeting we would like to
9 hear from our audience for our oral communications. If
10 you wish to address the Board of Police Commissioners
11 we would ask that you would come forward, please
12 clearly state your first and last name, for the benefit
13 of the record, please spell your name so we can have an
14 accurate account and also please be mindful of the
15 two-minute allotted time period which will be shown by
16 Mr. Brown our Officer Manager to my right and your
17 left.

18 MR. MELVILLE: Good afternoon, sir. Joseph
19 Melville, from Westside Impound, Inc., and from
20 Melville's Towing. I approached the Board last week
21 and asked permission to move two current authorized
22 towers into my two vacant yards on the Westside of
23 Detroit and this week the Board said they would have an
24 answer for me if they're going to allow tow companies
25 to move from yard to yard.

1 I have my applications with me. I just
2 wasn't sure if the Board of Police Commissioners is
3 going to authorize this or not. I can go into details,
4 but that was my main question.

5 CHAIRMAN WHITE: And I want to ask for an
6 update because I do believe Commander Serda who may be
7 at training this week was to give us a report back on
8 that. Deputy Chief, do you have any information on
9 that regard?

10 D.C. LEE: No, I do have I think a memo,
11 through the Chair, to the Board of Police Commissioners
12 with questions and that's the only information that I
13 do have with me today.

14 CHAIRMAN WHITE: Do you have copies of that,
15 Deputy Chief? And I apologize, Mr. Melville, give me
16 one second. This is my first time seeing this
17 communication here. I don't want to belabor this
18 point. There's a lot of information here and since we
19 just received this today my colleagues have not had an
20 opportunity to look at this either.

21 So with no formal report back from our
22 office, particularly the Office of Management Services
23 Bureau, if you would allow us an opportunity to digest
24 this information so that we can communicate with you
25 more appropriately as to what the next steps are, what

1 the Department has deemed possible for you, and if
2 there's a need for this body to intervene.

3 So I don't believe it would be within our
4 prerogative to answer that question for you. I do
5 believe that's a function of the Department. But if
6 there's an issue that's where we will come in at that
7 point.

8 MR. MELVILLE: I appreciate that. My concern
9 is I'm on a timeline. Either I'm going to submit two
10 applications to the City of Detroit for towing
11 contracts or I'm going to move two companies current
12 onto my properties.

13 My concern is it seems like there might be
14 favoritism since some of these companies that were
15 moved were owned by ex-police officers. And just the
16 appearance, I mean, don't look good. I mean, if you're
17 going to allow one company to do it, you must allow all
18 companies to do it.

19 Like I said, I'm not asking for favors,
20 special favors, favoritism. I'm just saying if you're
21 allowing certain companies to move then I'm asking for
22 permission to do the same. I'm not asking for nothing
23 extra. No extra districts, no extra tows, so on and so
24 forth.

25 I'm just saying if you allow the ex-police

1 officers to do this, then you must allow me to do this.
2 And this is my concern.

3 CHAIRMAN WHITE: It would be our position
4 that there absolutely should be no favoritism shown.

5 MR. MELVILLE: But there has been since 2001.
6 I mean, I've been in front of Public Corruption Task
7 Force.

8 CHAIRMAN WHITE: I understand.
9 Unfortunately, I can't speak for 2001. But since my
10 presence on this Board in 2010 that has not been the
11 case and you can fully expect that with just a few
12 short years left, the remainder of my tenure on the
13 Body you won't see that favoritism showing.

14 MR. MELVILLE: I appreciate that, sir.

15 CHAIRMAN WHITE: If we can get to the bottom
16 of this issue, and again, we will move as aggressively
17 as possible to make sure we have the best answers as
18 possible and you should not expect to see any
19 favoritism anywhere in this process.

20 MR. MELVILLE: I appreciate that. So is it
21 possible to have an answer by next week so I know if
22 I'm going to submit the applications or?

23 COMMISSIONER WHITE: I'm going to ask if --
24 we'll get this to my colleagues and if you haven't had
25 a communication from Management Services Bureau, I

1 believe that's where you started your conversation?

2 MR. MELVILLE: Yes, last year.

3 CHAIRMAN WHITE: Right. I'm going to ask if
4 Deputy Chief could step in. Chief, I'm not sure what
5 communication would be next to an individual who was
6 looking at moving a location because in the past that
7 is not something this body would okay or deny. So I'm
8 assuming there's a communication needed from that
9 department.

10 D.C. LEE: Yes, through the Chair, he would
11 have to submit his application, the initial application
12 or request to move a tow company to Management Services
13 Bureau.

14 MR. MELVILLE: Thank you, sir. I'll do that
15 this week. Thank you so much.

16 COMMISSIONER WHITE: Good afternoon.

17 MR. ALLEN: Good afternoon. Leon Allen,
18 L-E-O-N A-L-L-E-N. Good afternoon, gentleman. I come
19 before you today to express a little outrage and
20 concern about the manner in which I was treated by
21 several Detroit Police Officers on Tuesday, May 29th,
22 2012 after a traffic stop on Gratiot and Seven Mile in
23 Detroit.

24 After I was stopped by two Detroit Police
25 Officers for failure to stop at a red light I sided my

1 vehicle into Officer Richardson of the Eastern
2 District, approached my vehicle and asked for my
3 vehicle information. I explained to the Officer that I
4 had to take off my seatbelt and get my wallet and go
5 into my glove compartment. I did want to be shot for
6 trying to do either.

7 Officer Richardson became very irritated with
8 my statement. After Officer Richardson gave me the
9 ticket I threw it in my passenger seat and pulled off.
10 At this point the harassment started. Both officers
11 returned to their vehicles and raced down Gratiot at a
12 high rate of speed without their emergency lights or
13 siren on.

14 Once they got behind or got close to my
15 vehicle they turned on their lights as if to pull me
16 over again. Which I did not understand because I had
17 not violated any other traffic laws. As I went to pull
18 over with the police vehicle behind me, the lights on
19 the vehicle went off. So I pulled off again.

20 This went on for about eight blocks. Then
21 the Officers pulled along side me as I was parking in
22 front of the Eastern District, and the Officer in the
23 passenger seat gave me the middle finger. At this
24 point I went into the Eastern District and picked up
25 one of the telephones in the outer area where operate

1 number five took my call.

2 I explained to her the situation and that I
3 wanted to file a formal complaint. She told me that I
4 needed to go into the actual police station to do so.
5 I told her I could not get in because they were in
6 virtual mode. She told me to hang up and stand by,
7 that she would call the precinct.

8 A Sergeant Green opened the door and asked me
9 what was the problem? When I told him I wanted to file
10 a formal complaint against two police officers,
11 Sergeant Green disposition was as if I was wasting his
12 time. He asked me what was the problem? And I stated
13 to him, how are you going to take a formal complaint
14 without anything to document what my complaint is?

15 At this point there was a verbal exchange
16 between myself and Sergeant Green when I finally said I
17 will go to police headquarters to file this complaint
18 if necessary and turned and walked away.

19 Sergeant Green then stated he would take my
20 complaint. He led me back to an office where he began
21 to take my complaint. Three minutes into taking my
22 complaint two other Sergeants, Sergeant Faulkner and a
23 Caucasian female Sergeant, with blonde curly hair came
24 into the office. Sergeant Faulkner turned on the
25 television set and turned the volume up very loud

1 making it difficult for Sergeant Green to take my
2 complaint.

3 Also both of these Sergeants started trying
4 to intimidate me by making comments about my complaint
5 and staring at me as if I was beneath them. Once the
6 complaint was finished I asked Sergeant Green could
7 either he or the other two Sergeants tell me when was
8 the next Police Commission Board Meeting.

9 The female Sergeant stated that that's not
10 part of my job to tell you when these meetings are so
11 you can waste somebody else's time with this, and if
12 you want to know when the next meeting is then Google
13 it. At that point I got up and left the station.

14 Even though this is a small and minor example
15 of police intimidation and harassment and abuse of
16 authority I do not blame the patrol officers completely
17 for their actions because clearly they're only
18 following the examples of their direct supervisors and
19 leadership.

20 And as a citizen who pays his taxes, an Army
21 Veteran, a man that works, been working at the same job
22 for twenty years, this is one of the reasons why me and
23 my wife have sold our house and left the City of
24 Detroit.

25 Every black man and excuse me I'm not trying

1 to make it a racial issue is not a criminal. I work
2 for a living. I have put three kids through college.
3 One of them is an air traffic controller for the United
4 States Navy. The other one just came back from Arizona
5 to get a job in Detroit Public School System. Now I'm
6 trying to persuade her to go back to Arizona.

7 This is why people are leaving the City. And
8 I can understand that we have a lot of other issues,
9 but it starts with our police force. No citizen should
10 be treated in the manner in which I was treated
11 seriously, and to me that's totally unacceptable. So I
12 thank you gentlemen for your time.

13 COMMISSIONER WHITE: Thank you, Mr. Allen.
14 Let me say before you leave we certainly do not condone
15 that type of behavior within the Detroit Police
16 Department. We thank you, for one, having the courage
17 to come forward, two, your thoroughness in your report
18 that you were able to share the details of what has
19 transpired.

20 You have our commitment that we will
21 certainly look into this issue. There are a number of
22 issues that you have raised which is the function of
23 this Body is to serve into looking at those types of
24 matters from the Office of the Chief Investigator.

25 One, I would like you to see Lieutenant

1 Timothy Leach before you leave so he can inform you of
2 that process if you wish to pursue that as a method of
3 filing a formal complaint so that our investigators can
4 look into this more thoroughly for you.

5 And if there are improprieties into how these
6 Officers have acted proper action will be taken. Two,
7 certainly Deputy Chief may want to address you, as
8 well.

9 D.C. LEE: Yes, sir. Thank you for coming
10 forward. Likewise, I don't condone what has happened.
11 You took the proper steps to do what you needed to do
12 and in order to make your complaint known.

13 We will let that take its course and whatever
14 actions we need to take be it warranted then we will
15 take that action. Our stations have cameras.
16 Hopefully the car that was used on that particular day,
17 I didn't get the day this happened.

18 MR. ALLEN: May 29, this past Tuesday, sir.

19 D.C. LEE: That information is available from
20 the car as well. We just equipped I want to say almost
21 90 percent of our precincts, well, all of our precincts
22 with working cameras and working cars. We just had a
23 meeting last weeks about cars on the streets and cars
24 that have cameras.

25 So in an incident such as this, more

1 incidents that come up we need to look at it it's
2 available. So we will take a look at that. And I do
3 thank you for coming forward. And as far as our
4 virtual precincts, never believe that the precincts are
5 closed. Those precincts are open. The doors are
6 simply locked. The officers are still available.

7 They still have to come to that door and talk
8 to you. If that phone wasn't connected to the desk the
9 operator did what she was supposed to in terms of
10 connecting you with the desk and having somebody come
11 out and take that formal complaint.

12 MR. MELVILLE: Can I say one more thing? I
13 didn't get the young lady's name, but whoever operator
14 number five was out of all this she was the only
15 professional person I dealt with that day representing
16 the Detroit Police Department.

17 Because the young lady could have hung up and
18 could have say, well, sir, you can come back. She told
19 me, no, stand there. As a matter of fact, hold on, let
20 me talk to my supervisor and see what can be done right
21 now, sir.

22 D.C. LEE: I'd also like you to give your
23 information to Officer Harris at the back, he's
24 standing in the back. I want to say on the record I
25 had a very pleasant experience with Delta yesterday

1 when I flew back.

2 MR. MELVILLE: I just got off work.

3 D.C. LEE: A very pleasant experience. I
4 don't know if you work at Metro?

5 MR. MELVILLE: Yes, sir, I do.

6 D.C. LEE: There was a lady by the name
7 Brenda that helped me yesterday. Very wonderful
8 experience.

9 MR. MELVILLE: Customers service is what
10 we're trying to improve on, sir, so I'm glad.

11 CHAIRMAN WHITE: So are we. Thank you,
12 again. Good afternoon.

13 MS. WILLIAMS: Hi, my name is Debby Williams,
14 and I'm a social worker. I'm hear to talk about, I
15 want to say first of all congratulations. Thank you
16 for all the Police Officers who conduct themselves in
17 an ethical manner when they're out here dealing with
18 the public. Okay.

19 I would like you guys to know, you don't have
20 anything to do with child protective service, but I
21 know when calls come out Police Officers have to escort
22 the social workers to protect them while they do their
23 job about getting children, okay.

24 Now, CPS has been operating under unethical
25 practices, falsifying documents, literally falsifying

1 documents before they get to preliminary. Somebody can
2 call in and make a false allegation on anybody in here,
3 okay. And the CPS workers supposed to go in and do a
4 proper investigation and see if that child is being
5 abused and neglected. A lot of times people's kids
6 have been pulled out the home and it's no abuse
7 nowhere.

8 But what I'm here for I have talked to many
9 people telling me that when the Police Officers come
10 they don't, they'll come with the workers, they'll come
11 right on in the house just open the door and just come
12 in, don't ask the workers or anything if they have a
13 warrant, do they have a proper warrant to, you know,
14 come in their homes and stuff.

15 So I'm asking you guys, please, if when CPS,
16 you have to escort CPS, ask these ladies or men do they
17 have the proper warrant from juvenile hall to enter
18 these people's homes and not have the Police Officer
19 encouraging them to just come on in the house and
20 intimidate people and their children. Because people
21 make false allegations on a lot of these parents and
22 grandparents. Thank you.

23 CHAIRMAN WHITE: Thank you, Ms. Williams.
24 Good afternoon.

25 EVANGELIST JOHNSON: Good afternoon. My name

1 is Evangelist Johnson with Unity in the Community. We
2 had a wonderful prayer walk around the City of Detroit.
3 We walked around the City County Building seven times
4 today praying for the City. And I'm convinced that the
5 walls of Jericho are going to come down from the
6 Mayor's Office, City Council, Police Department, and
7 every other area where it's affecting the people.

8 My concern is I was driving Downtown and
9 something I see frequent, I see youth from the suburbs
10 and I know they're from the suburbs because I've
11 inquired, and their skateboarding on all the
12 development and everything.

13 What I observed yesterday was the Detroit
14 Police Officers they didn't say anything to these youth
15 from the suburbs. But they were so busy looking at
16 some young African American youth that look like they
17 were just coming from school. And the kids were just
18 skateboard knocking on the buildings, just knocking and
19 banging and pounding.

20 So my question is, is that okay that suburban
21 kids can come to the City of Detroit and skateboard all
22 through the City property and African American kids
23 that live in the City of Detroit can't walk home from
24 school without being observed, yet the suburbanite kids
25 are skateboarding and knocking property down, and

1 everything else?

2 I seen the Police Officers look like they
3 might as well just started clapping and applauding the
4 young kids destroying the property. I would like to
5 see the Police Department stop that nonsense because we
6 put too much money, and people in the City of Detroit
7 are suffering economically. We're putting too much
8 money in development for anyone whether it's people
9 from the city or suburbs to come and just destroy it,
10 you know.

11 I'm beginning to wonder was that legal
12 because I was just watching the Officers just like
13 fifteen, fifteen young people just tearing up the
14 property in the City. And I see this almost everyday.

15 COMMISSIONER WHITE: Evangelist Johnson, I
16 know what you described could be a profile situation
17 and that is something that certainly is not condoned by
18 this Department. As it relates to the ability for you
19 to be skateboarding on City property I defer that for
20 comment from Deputy Chief Lee.

21 D.C. LEE: Through the Chair, as best I know
22 they have to put the signage up on those different
23 places. I don't know if it's actually illegal to do
24 it. If it's damaging the property I'm sure that it is.
25 But generally most places I've seen they put signage up

1 that says you can't do it or put barriers up to
2 discourage it.

3 So without some specific places, if you can
4 give me some specific places or something?

5 EVANGELIST JOHNSON: What I'll do I'll get
6 your number and when I see it from this point on I will
7 get the specific places. If I can ask this quick
8 question to you, so then it would be okay if fifteen
9 African American youth can go in that same location
10 because they do have some nice little loops where they
11 can scoop around, can they go in that same location and
12 not be bothered because I see these suburbanites every
13 single day.

14 D.C. LEE: Through the Chair, without having
15 some specific knowledge of exactly what they're doing.

16 EVANGELIST JOHNSON: Well, they're
17 skateboarding on the property, Washington Boulevard,
18 for example, City County Building.

19 D.C. LEE: From my perspective walking,
20 skateboarding within the law we don't have a problem
21 with that.

22 EVANGELIST JOHNSON: Okay. Thank you.

23 D.C. LEE: You can give the information to
24 Sergeant Harris.

25 EVANGELIST JOHNSON: Okay. Thank you, I

1 certainly will.

2 COMMISSIONER WHITE: Thank you. Good
3 afternoon.

4 MR. SECAL: Good afternoon. My name is Ron
5 Secal. There's several things I wanted to talk about.
6 Number one is a number of years ago, long, long time
7 ago actually, it's 1980, I was working in the program
8 in Highland Park called Community Against Crime, and
9 actually training people.

10 We would set up neighbor watch which is
11 happening and I was training people with the help of
12 the Highland Park Police in what to watch out for. We
13 have a suspect identification form, you know, how to
14 make police reports and stuff.

15 We did emphasize that you don't go around and
16 try to arrest the person themselves. We did not want
17 that way back then. That was the rules of the
18 neighborhood watch. And so we didn't want what
19 happened in Florida. And crime went down by
20 20 percent.

21 I'd like to volunteer to help out in Detroit.
22 The one thing that helped us in Highland Park was that
23 police had respect for the community and I hope you
24 deal with different complaints about when people are
25 not being shown respect like that last person.

1 Another thing, one of the worse crimes is
2 crimes of respect, not just simply robbery or crime for
3 gain, but crimes for people. Kids feel that they're
4 not respected or even an adult shot a kid for looking
5 at them the wrong way.

6 We need to teach kids respect. We need to
7 kind of help kids learn respect and learn to respect
8 themselves. And I'm with the group called Respect
9 Month Committee and we're working with the Rosa Park
10 Institute. And, well, my phone number is area code
11 (313) --

12 CHAIRMAN WHITE: We wouldn't want to put your
13 personal information because this is public record, we
14 don't want to put that on record, but we'll be happy to
15 get your phone number following the meeting.

16 MR. SECAL: Okay. Thank you. And maybe we
17 could work with the Police and also with the schools
18 and certainly we'd be very interested in helping train
19 people in neighborhoods. I was paid for this in 1980.
20 I would be willing to work as a volunteer and so I'm
21 offering my services right now.

22 CHAIRMAN WHITE: Sure. Mr. Secal, before you
23 leave, Deputy Chief, I'm sure there's a mechanism that
24 we can engage Mr. Secal's energy and expertise into the
25 fold.

1 MR. SECAL: Thank you. Should I walk up to
2 you and give you my phone number? The man in the back,
3 okay. Thank you.

4 D.C. LEE: Sergeant Harris in the back.

5 MR. SECAL: Yes, the man the back. Okay.
6 Thank you very much.

7 CHAIRMAN WHITE: Good afternoon.

8 MR. DIPONIO: Good afternoon. My name is
9 Steven DiPonio, that is D-I capital P-O-N-I-O.
10 I was here last week. I met with you, Deputy
11 Chief, about the drug dealing up and down Trumbell
12 Avenue in the Cork Town Neighborhood and at Greyhound
13 Bus Station. I tried calling you last Friday. You
14 were not in. And I believe an Officer Jones answered
15 the cell phone that day.

16 I called your office at 2:30 yesterday and
17 you were not in. Which she asked what the message was
18 about. I told her about the drug dealing in Cork Town.
19 Now, she did call me back at 2:45, 2:57, and I believe
20 3:13 yesterday. Now, those are the only phone calls I
21 have. I have not heard from Narcotics for anything.

22 As I told you I have a year and a half's
23 worth of surveillance photos that are date and time
24 stamped that I've taken and made with my digital
25 computer. And I've made three copies of them. I got a

1 copy each with people that are safe and another copy
2 with my attorney. Nobody in law enforcement has seen
3 any of this stuff yet.

4 When do you want to look at it?

5 COMMISSIONER WHITE: Anything further?

6 MR. DIPONIO: Thank you.

7 CHAIRMAN WHITE: Deputy Chief, have you
8 received a report back as to the status on the
9 information that Mr. DiPonio may have?

10 D.C. LEE: Yes, and I do apologize. I was
11 out of town when he did call my office. But I was
12 informed of all his information and it was forwarded to
13 the proper authority and we're just going to be
14 awaiting what their response is going to be to the
15 information. And I actually spent about 45 minutes
16 last week with him in my office.

17 CHAIRMAN WHITE: Thank you.

18 MR. HANKINS: Good afternoon. My name is
19 Freddy Hankins, H-A-N-K-I-N-S, F-R-E-D-D-Y, first name.
20 Good afternoon to you all. I was here. I'm listening
21 to different ones saying in regards to what they have
22 to say. You know what? It disturbs me very much so
23 because I was born in the City of Detroit and even
24 having to do with the Coleman Young Administration and
25 how Detroit have suffered so much.

1 And, you know, we were sitting here and I'm
2 looking at the faces on different ones smiling and what
3 have you, it's almost like sitting at a funeral
4 smiling. I'm really sorry for the fact that the City
5 of Detroit, the people in the City of Detroit have to
6 go through what they have to go through with is because
7 we're concerned about our titles and our positions to
8 the extent that we can't reach out to the people and
9 meet the people's needs.

10 And it's a sad thing. And I have suffered
11 many things myself. But the thing is here we're not
12 getting the job done. Everywhere else you go perhaps
13 and they talk about the suburbs and I too agree you
14 have a liquor store on every corner, you don't have a
15 drug house in every neighborhood.

16 You don't have people running here and there,
17 doing all they want to do and breaking the laws and
18 getting away with a lot of things. You know, you don't
19 have that. But here in the City of Detroit there's a
20 lot of things goings on. And I think what we need
21 here, we need people that are more concerned about the
22 people in Detroit more so than a paycheck, more so than
23 the titles and the positions.

24 That stuff don't mean nothing when people are
25 suffering and people are dying and going through what

1 they're going through with when you can go home and sit
2 down and kick your legs up and look at your TV and get
3 your paycheck and everybody else is suffering.

4 I don't agree with that stuff. I just wish
5 that they have some people that stand up for the City
6 of Detroit and be concerned about the people that's
7 going through and suffering rather than sitting up with
8 their suit and necktie on. This stuff don't work and
9 it's not going to work.

10 And when we get through talking here and all
11 this is over and said and done and it's still going to
12 remain the same because you don't have people that's
13 concerned about what's going on in Detroit. I'm not
14 happy now whatsoever.

15 I had two Police Officers come out to my home
16 and told him about an incident that had taken place and
17 a bag that was left in front of my vehicle. And I
18 didn't know what it was. And I called them and they
19 came out. They talked to me. They got my name. What
20 happened they went over to the neighbor's house next
21 door and they talked to the neighbor smiling and
22 laughing, got in their car and pulled off. And they
23 told me what they was going to do. They did not do
24 that.

25 Well, I can understand when you have people

1 in leadership, people in positions that can do
2 something about it and they don't do anything about it,
3 then I can understand these people are doing what
4 they're doing because you people need to scream. They
5 need to scream at these folks in position with titles.
6 They need to scream and find out how do you feel about
7 the people.

8 You can't just mess with people and take
9 advantage of people because of your position and your
10 titles. This is a sad thing. Something needs to done
11 about it.

12 You know, you talk about Kilpatrick and Nixon
13 robbed this country. Didn't do a thing. Talk about
14 Kilpatrick and they want to hang him because of what
15 they said so happened. But they knew what Nixon did
16 and they didn't do nothing about it.

17 Let's not fool ourselves. Let's get down to
18 business. We're not doing as we ought to do. Pray all
19 you want to, but if you don't do what you all do ain't
20 nothing going to happen. We've get to get down to
21 business. I don't need no response. I can walk out of
22 this door.

23 I'm not leaving Detroit. I'm going to stand
24 up for what I believe in. I believe it's right to do
25 right. I believe it's right to see about the people.

1 Don't wait till preacher get robbed and everybody going
2 to get involved in it.

3 What somebody -- get robbed. I don't care if
4 it's a child. See about it. Do your business. Do
5 your job. You're placed in office. You're place in
6 position to do your job. Do your job as you're paid to
7 do. Then you can go home and rest and sleep good
8 because you've done your job. I'm through this with.

9 CHAIRMAN WHITE: Thank you. Good afternoon.

10 MR. LACY: Good afternoon. My name is Mary
11 Lacy, L-A-C-Y. I'm very active in my community. So I
12 attended the City Council Meeting last week I believe
13 in the evening out in the community. And I was
14 concerned about senior safety.

15 And of course Councilman James Tate and
16 Councilman Brown came from the Police Department and
17 they were sort of like referring me to the Police
18 Department to find out about senior safety because I
19 was telling them. I remember City Council, I mean City
20 of Detroit use to have a City Department, Senior
21 Department. But they was referring me here. So I
22 would like to talk to an Officer or someone about
23 senior safety.

24 CHAIRMAN WHITE: Sure.

25 MS. LACY: Because there's a particular thing

1 that's happened in those apartments I would like to
2 talk to a Officer about. And my other thing is like I
3 said I'm very active in the community, and I would like
4 to give appreciation to the Police Officers out there
5 in the field who have to deal with like these parades
6 and things.

7 Just like last week the electronics, 30,000,
8 the race coming up out on Belle Isle, and then you're
9 going to have the Country Hoedown. All of these I'll
10 be taking friends from out of town to that. A 100,000.
11 I think the Police Department is only about three or
12 4,000. So if you think about that 100,000 people from
13 all over the states.

14 So I think, like I said, it's a two-way
15 street. I think like in the old days they use to have
16 people going on tour when they go to the police station
17 just give them an idea what is involved. I don't know
18 if they have that anymore.

19 But do we have any young cadets anymore that
20 be out on these parades, out at these places? You
21 know, like, when we have so many thousands and
22 thousands of people like I say at the Country Hoedown,
23 100,000, all like that. Do we have any young cadets in
24 training anymore?

25 Well, that's good. Because I think having

1 them out in the real world helps. But like I said, I
2 would like to talk to a Officer about senior safety.

3 COMMISSIONER WHITE: Ms. Lacy, before you
4 leave I would think, I was thinking is it Brian Simons
5 who served -- so there is an Explorer Program where
6 young people are active within the Department. For the
7 large events, and I have to give accolades to our
8 Tactical Operations Department who do an excellent job
9 in covering our large scale events.

10 And I know that Deputy Chief, correct me if
11 I'm wrong, that is a scientific approach along with the
12 Reserve Officers as well. So we have excellent
13 coverage at many events that you notice that thousands
14 of people who have come for a number of things and have
15 gone without incident.

16 MS. LACY: Right, right.

17 CHAIRMAN WHITE: And part of that is due to
18 the due diligence of our Department. And the third
19 piece was senior safety and I'm going to defer to
20 Deputy Chief Lee because I do believe there's an
21 excellent person who can work with you on that.

22 MS. LACY: Okay. And one more thing, traffic
23 controllers, they was excellent. I heard they don't
24 have them anymore. The traffic controllers, they still
25 have them?

1 D.C. LEE: That's going to be Brian Fountain,
2 the Investigator. He does an excellent presentation.
3 He did one for the last quarterly meeting that we had
4 and it was an excellent presentation. Just give that
5 information to Sergeant Harris who also will put you in
6 touch with your district and they can provide you some
7 information, as well.

8 MS. LACY: All right. Thank you.

9 CHAIRMAN WHITE: Thank you. Good afternoon.

10 MS. PANNELL: Good afternoon. Sharon
11 Pannell. I just wanted to let Ms. Lacy know they have
12 a Detroit Police Officer Citizen Academy. It's six
13 weeks' course. And if they want to know about what the
14 police does they have all entities of the different
15 polices to come in and everything and take them to the
16 gun range and take them to 911, take you on a police
17 ride, if you want to learn about the police.

18 CHAIRMAN WHITE: Thank you, Ms. Pannell. Any
19 other communications?

20 MS. SMITH: Good afternoon to the one
21 Commissioner.

22 CHAIRMAN WHITE: Good afternoon.

23 MS. SMITH: No, seriously, good afternoon to
24 you to, Deputy Chief. Bernice Smith, proudly belong to
25 the Detroit 300 and was out there doing a parade last

1 night. Of course I wasn't. I was feeding the young
2 men.

3 But the fact is we're back on the battlefield
4 looks like, and I think we're going to have good
5 results within the next couple weeks because we did get
6 some information I understand that's very good in
7 regards to supplying the police on who the culprit is.

8 Now, I wasn't going to talk about anything.
9 But what we're doing in the neighborhoods because a lot
10 of people are really thrilled to see the 300 back in
11 the neighborhood. And in that particular area is very,
12 very criminally infested because people feel as though
13 they can get away with a lot of things because the
14 Police don't response right away.

15 But that young man that came in here just
16 now, I couldn't sit by and let him talk about you. I
17 mean, I talk about you because I know what I'm talking
18 about. All right. Brown, please, today is my
19 birthday. Give me a break. Come on now. I did let
20 him know that the Police -- and what was he doing?

21 See, when you come here and complain to the
22 Commission about what you're not doing and what are you
23 doing. He's a minister, I understand. And he wanted
24 to know was I in with you? I said, no, I will be one
25 of their supporters and I will be one of their critics.

1 But let me ask you, what you have you done?
2 He stood up there and looked at me like a statue. If
3 he's a minister then why wasn't he out there with those
4 ministers last week, right? So we would like all the
5 ministers and their churches to get together and help
6 clean up this City.

7 My church did this past week Tabernacle
8 Baptist Church. They went from Dexter over to Linwood.
9 They cleaned up three or four blocks it was, and they
10 boarded up houses. And I thought this was a beautiful
11 project. If all the churches would do this in various
12 neighborhoods close to their churches we would have a
13 hell of a city that would be cleaned up.

14 We don't have to depend on Bing and the rest
15 of the politicians, who are not doing nothing the way
16 they should be doing. But the fact is we got to do for
17 ourselves. We can't continue to blame the Police
18 Department, blame the Fire Department, which I'm very
19 upset with Mr. Hester, and what his actions was.

20 What kind of officer is that you going to
21 curse at people? Come on. You don't do this. You
22 show respect. But I haven't got to him yet and you
23 know I will call Hester and his brother up and find out
24 what's going on with them.

25 But I just want to let you know we are going

1 to be helping. I mean, as far as the 300 is concerned
2 we will be out there helping and we're going to do all
3 we can to try to rid this City of all these criminals
4 and try and help with the Police Department.

5 Now, when you're wrong I will come before you
6 and tell you. But I do want you to know we do have
7 some bad Police Officers out here and we have to
8 chastise them and let them know don't bring their
9 reputation on the rest of the Officers out there. And
10 I just want to let you know I am 80 years old today.
11 The Lord has been good to me.

12 (Applause.)

13 MS. SMITH: I have been in good health so
14 far. As you can see nothing wrong with me yet. Maybe
15 I talk too much. But the fact is I've been blessed.
16 Truly I am blessed and I thanked the Lord this morning
17 when I got up. And I said, I have moved over. In
18 other words, I've gone from seventies to the eighties.
19 And I don't know where the year's gone to.

20 But anyway they gave me a good birthday gift
21 this morning and then plus the fact I was on the radio
22 all morning with people giving me congratulation. So I
23 got to brag today. So that's why I told you, Brown,
24 give me a break today. I'll be good next week. Thank
25 you so much. I appreciate it.

1 CHAIRMAN WHITE: Thank you, Ms. Smith. And
2 we certainly wish you a very, very, happy, happy
3 birthday and many, many more.

4 MS. SMITH: I hope so.

5 MR. MOORE: Good afternoon to the Chair, to
6 our Deputy Chief, Detroit's Finest, and to the
7 families. My name is Edward Moore. I am the liaison
8 of the Honorable Kwame Kenyatta our Detroit City
9 Councilman, bringing warm greetings from his office.

10 I'd like to say to the Chair, and to the
11 Chief, and to the families, we also from the Office of
12 Councilman Kenyatta we want to wish Mother Bernice a
13 happy birthday with many, many, many, more.

14 And also I'm one of the troopers that she
15 spoke about. As the Councilman said, as long as
16 Detroit 300 stays within the laws he supports Detroit
17 300. So I'm one of the originals. I'm one of the
18 troopers.

19 And I want to say to the Commissioners and to
20 the Chief and to our families, as long as Detroit 300
21 stays within the law, Councilman Kenyatta will stand
22 with them. Thank you.

23 COMMISSIONER WHITE: Thank you. Good
24 afternoon.

25 MR. STIDHAM: Good afternoon, Mr. Chair,

1 Deputy Chief, Mr. Secretary. Tom Stidham. Just as a
2 point of clarity I was looking at the agenda it says
3 under Old Business, Towing Hearing. I was just
4 wondering what is the nature of the hearing and the
5 purpose of the hearing?

6 CHAIRMAN WHITE: You normally have a few
7 questions.

8 MR. STIDHAM: Yeah, those are my only two
9 questions.

10 CHAIRMAN WHITE: The Old Business of Towing
11 Hearing was if there was to be deliberations on
12 anything that was discussed as we move in this process.
13 There's no Old Business as relates to the towing
14 hearing process at this time. So that's why it may
15 have been viewed as kind of glossed over. It's just
16 because there's no discussion at this time.

17 MR. STIDHAM: Is there anticipated to be
18 discussion next week?

19 CHAIRMAN WHITE: Soon. Again, we're in the
20 final phases of putting together all the comments that
21 were shared with the Commissioners. Unfortunately what
22 you see here, we're unable to deliberate behind closed
23 doors.

24 MR. STIDHAM: Sure.

25 CHAIRMAN WHITE: So it's not as if we don't

1 have it. The only time we have an opportunity to
2 discuss it is before you here. So once it has been
3 shared with each Commissioner individually and they
4 have an opportunity to look over it then we can come
5 here and have that discussion.

6 So as soon as we're able and the
7 Commissioners feel comfortable and they're in a
8 position to discuss we'll do that in this body so we
9 can move that process forward. But I do anticipate
10 without being date specific that we should try to wrap
11 that up this coming month here.

12 MR. STIDHAM: In June?

13 CHAIRMAN WHITE: Yes.

14 MR. STIDHAM: Thank you.

15 CHAIRMAN WHITE: You're welcome. Any other
16 communications? Any other communications? Any other
17 communication? Seeing none. Again, please be reminded
18 that the next Board of Police Commissioners Meeting
19 will be held Thursday, June 7th, 2012, at 3:00 p.m.,
20 and there's a location change to accommodate the Tigers
21 Game. We will meet at the Central District, at 7310
22 Woodward, Detroit, Michigan 48202.

23 There's no further business before us at this
24 time. I bid you to have a wonderful afternoon.
